

Den Haag

Final event in the series:

'The Hague Conversations on the Future of Europe in the World'

Tuesday, 22 February 2022 from 1600-1800

Invitation

Dear Colleague,

As part of a process in the framework of the **Conference on the Future of Europe**, LINKS Europe, in association with the **City of The Hague**, and with the support of **The Hague Humanity Hub**, are delighted to invite you to the final event in the series, '**The Hague Conversations on the future Europe in the World**'. The series has run successfully since September 2021 with several online, in-person and hybrid events that have attracted the participation of hundreds of residents of The Hague, as well as others in the rest of the Netherlands and beyond. The events were also accompanied by a podcast series.

This final event will be held on **Tuesday, 22 February 2022 from 16.00-18.00 at The Hague Humanity Hub, City Centre (registration, coffee and biscuits will be available from 15.30)**.

For our final event, we are delighted to welcome as speakers and guests of honour:

- The Mayor of the Hague, **Jan van Zanen**
- The Deputy Head of Cabinet to European Commission Vice-President Dubravka Šuica, **Ivo Belet**

After their presentations, LINKS Europe's **Dr Dennis Sammut** will present an advanced draft of the paper '**The Hague in Europe, Europe in the World**', which aims to capture the mood, ideas and vision that emerged in the process of the dialogue exercise, '**The Hague Conversations on the Future of Europe in the World**', held in The Hague from September 2021 to February 2022. **Tony van der Togt**, Senior Research Associate at The Clingendael Institute, and **Dr Walter Kemp**, Lecturer at the Diplomatic Academy in Vienna, will then share their thoughts on the paper. There will then be a discussion with audience participation. After the event, the report will be finalised and submitted to the EU as part of the Conference on the Future of Europe process, ensuring the voice of the people of The Hague is heard in this important forum.

The event will be held under strict COVID-19 regulations, which means that the number of places available is unfortunately limited. We hope you will join us, but if you do intend to come, please register your place [here on eventbrite](#). Places are available on a first come, first served basis. For those not able to join in person, the event will be streamed online.
