FOUNDATIONS & SOCIAL ENTERPRISE: NAVIGATING INITIAL LEGAL REQUIREMENTS

Which form of organization best supports our social impact mission?

What should we prepare for registration?

What are the obligations and benefits of ANBI status?

How can we secure our social impact mission with investors and customers?

Our workshop will begin to answer these and other questions. An expert introduction will be followed by the chance to exchange with colleagues facing similar dilemma's. Put your questions to lawyers from our partner firms and students from the free legal advice center "Startups and Foundations".

11:30-12:30 Session 1: Foundations
